The Centers for Medicare & Medicaid Services (CMS) recently released data that highlights the benefit designs of 2025 Medicare Advantage plans, inclusive of each Medicare Advantage product's supplemental dental offering.

To help health plans understand the data, we ingested the raw files to provide preliminary insights on where the Medicare Advantage dental benefits are headed this year.

"Similar to years past, Medicare Advantage organizations that continue to prioritize investments in dental offerings as a key component of their supplemental benefits portfolio will be best positioned to attract and retain members in the coming years."
